2025  
AWARDS

FROM  
GRACE

Congratulations to the extraordinary winners of the 2025 Grace Awards Competition featured in our first winners' Look Book!

One of the great joys of publishing *Window Fashion VISION* magazine is seeing and experiencing the incredible passion, creativity and hard work that goes into every project we review and publish. I recognized very early on that there needed to be a platform to recognize this dedication with a special awards ceremony, thus the Grace Awards (originally named the VISION Design & Workroom Competition) were born.

Year after year, the bar has been raised by devoted design and workroom professionals. We followed suit and took it to the next level of recognition: an inaugural Grace Awards Competition Look Book! It will be housed on our website and available to purchase as a print copy.

Enjoy and gain inspiration from these extraordinary projects. We hope you are energized to enter next year's competition—it's a game-changing experience.

With awe and admiration,
