Society Awards 5th Year on the Inc. 5000 List

NEW YORK, Sept. 6, 2016 /PRNewswire/ -- 2016 marks the fifth consecutive year that Society Awards is honored with a position on the Inc. 5000. This prestigious list comprises the 5000 fastest-growing, privately-held companies in America each year.

As the only luxury awards company, we collaborate with some of the biggest names and brands in the world. The team wants to direct their gratitude towards the Society Awards clients. Their continued support of our mission reaffirms daily our drive to deliver the absolute finest creations.

Of the honor, CEO David Moritz said, "sharing this space with the greatest entrepreneurial minds in the nation is a reflective moment for our incredibly hard-working team."

As they approach their tenth year of business, Society Awards has no plans of slowing.

About Society Awards: Society Awards is the premiere company that designs and manufactures high-end custom awards, recognition products, and many other luxury objects of desire. Its prestigious clientele ranges from televised entertainment programs, charitable organizations, Fortune 500 corporations and film festivals all over the country. Society Awards counts high profile award shows including the Emmy's, Golden Globes, MTV Video Music and Movie Awards, CFDA Awards, GLADD Awards, American Music Awards and many others as clients. The company strives to produce the most innovative, aesthetically pleasing products, always keeping in mind the importance of luxury and style.
