CHARLOTTE, N.C., Dec. 18, 2020 /PRNewswire/ -- Society Awards, the company best known for designing and manufacturing the world's prestigious, iconic and televised awards and trophies has officially opened a new office in Charlotte, North Carolina.

The Charlotte office — which opened in late November — is located in the fashionable Atherton Mill development in the city's South End. The new space houses a team of Concierge Account Managers alongside C-Suite executives.

Society Awards, The World's Only Luxury Awards Brand

Society Awards remains the world's only luxury awards company, a title that it has held through an absolute commitment to industry-leading products and concierge-style service. We are thrilled to introduce this global brand to the Charlotte community.

Marketing Director Jeff Lien says of this move, "Society Awards is a unique company, one whose work is perhaps considered niche, and yet our work is universally recognizable. We frequently hear people say 'wow, what you do is so cool.' I think there is a great deal of pride in having the Hollywood connection in the Charlotte community — although what we do extends way beyond the trophies you see on TV."

In 2020 Society Awards was named for a sixth time on the Inc. 500|5000 List of Fastest-Growing Private American Companies. Charlotte, like Society Awards, is fast-growing. The city is frequently listed among the greatest up-and-coming cities and attracts some of the country's best talent.

Lyle Darnall is Managing Director of EDENS, the storied brand that revitalized and now owns Atherton Mill. Darnall says, "It's been an exciting and transformational time for Atherton. Our community of retail, restaurants and residents has further enlivened the South End. The addition of Society Awards brings a special element of office space. Atherton's rich history of design and manufacturing is a natural fit for Society Awards' new home."

Society Awards chose Charlotte based on the vibrant culture, business community, and talented workforce. In a few short months Society Awards has already assembled a strong and talented team to fill the Charlotte office.

About Society Awards
