NAACP Image Awards 2022 Winners, Get The List of Winners in NAACP Image Awards 2022

The NAACP Image Award is an annual awards event hosted by the National Association for the Advancement of Colored People (NAACP) in the United States to recognize exceptional achievements in cinema, television, theater, music, and literature. Like other awards such as the Oscars and the Grammys, the Image Awards are decided by the members of the award organization (in this case, NAACP members). Honorary awards (equivalent to the Academy Honorary Award) such as the President’s Award, Chairman’s Award, Entertainer of the Year, and Hall of Fame Award have also been featured. Maggie Hathaway, Sammy Davis, Jr., and Willis Edwards, leaders of the Beverly Hills-Hollywood NAACP branch, organized and awarded the award ceremony for the first time on August 13, 1967.

While it was originally filmed for television by NBC (which aired the awards in January from 1987 to 1994 on weeks when Saturday Night Live did not show a new episode), it would only be telecast in the primetime beginning in 1996. In 1973 or 1995, there was no award ceremony. The first live broadcast of the awards, also on the Fox Network, took place in 2007 for the 38th edition (before 2007, the event had been shown with tape delay), and the yearly ceremonies are normally held in or near the Los Angeles region in February or early March.
The 44th installment aired on NBC. From 1983 through 1995, sources had difficulty validating the winners in the top categories. Since its redesign in 2008, the trophy has been manufactured by the New York firm Society Awards.
